Online PR

Internet Text – Content Optimization – Online Marketing

Our Online PR works – you found us!
And we are very happy about that.

We post your news and press releases in forums that are relevant to your target group and on websites which are frequently visited by your potential customers.

We will make you known on the internet with eye-catching internet articles and a constant presence.

We create content for your internet site with effective internet texts and online articles which are specially designed for search engines.

A perfectly placed source of information for your customers and others who are interested.

Number 1 on Google, in the chat on Myspace, more curious web-surfers visiting your website or the subject of conversation on specialist forums? All of this can be achieved through successful Online Public Relations. Online PR Service from PR Agency Berlin – we know it well:

- **Free Online PR Consulting**

Where do you stand? Where do you want to go? How do you reach your goals?

- **Targeting**

We will find your target group wherever they are, in the real
