Press Releases - Public Relations Berlin - Distribution Lists & Professional Media Contacts:

For you, we write positive, success-oriented, exciting press releases and upon request, create a professional "press sweep" for you via our extensive press distribution list. We quickly work our way through complex situations and adapt our language and style to your requirements. We make sure that we stick to your "wording", that will most certainly get you undivided attention of your desired target audience.

We currently provide public relations in Berlin and beyond, for the following sectors:

Online & E-Commerce
Services
Tourism
Technology
Marketing
Pharma
Lifestyle & Fashion
Education & Retail (various products)

As part of our offer in relation to press activities, we maintain a high quality press distribution list with contacts to editorial offices, that has grown over a long period of time - ideal for a successful placement of press releases. Press work for us means placement and distribution - including the following publications:

 * Weekly and monthly magazines (Der Spiegel, Time, etc.)

 * Daily newspapers (Süddeutsche, Morning Post, etc.)

 * Business media (Financial Times, Mag Manager etc.)

 * Journals (Event
Partner, CCI, steel & construction, etc.)

 * Online PR Internet
Portals & Media

We contact all editors
personally and generate interest through follow-ups. For us, successful public
relations means establishing personal contact with the
media and the individual editors.

We are able to provide current press releases on
a budget, competently and reliable, as well as comprehensive
reports.

We skillfully combine press work in Berlin with a successful claim, written by our
copywriters here in
Berlin - a neat wording is always worth a headline. We like to work, even on a
very small budget - our free guide on how to create a
professional press release, can be found here. Of course we happily accept your
text for distribution and look forward to reading about you.
